

Downed Power Line safety:

After a storm, limbs & debris may hide an electrical hazard. Treat all downed power lines as if they are energized. <http://bit.ly/13SkmM7>

Just because power lines are damaged does not mean they are dead. Stay far away, and keep others away from them. <http://bit.ly/13SkmM7>

Safe Electricity advises everyone to be mindful of the electrical hazards that storms and flooding can leave behind. <http://bit.ly/13SkmM7>
